**Am**                    **F**                    **C**                    **C**

Feeling my way through the darkness

Guided by a beating heart

I can't tell where the journey will end

But I know where to start

**Am**                    **F**                    **C**                    **C**

They tell me I'm too young to understand

They say I'm caught up in a dream

Well, life will pass me by if I don't open up my eyes

Well, that's fine by me

[Chorus] 2x

When I'm wiser when I'm older

**Am**                    **F**                    **C**                    **C**

All this time I was finding myself and I

**Am**                    **F**                    **C**                    **C**

Didn't know I was lost

Life's a game made for everyone

And love is a prize

Didn't know I was lost
